EMERGENCY PHONE #'S
INTRODUCTION
(For Teachers and Staff)

1. Emergencies and disasters are unpredictable and strike without warning. Community School for Creative Education has developed this “Emergency Procedures Flip Chart” to assist you.
2. Please read and become familiar with this information.
3. Our goals:
   a. Safety of Students, Staff and Parents
   b. Protection of property with minimum damage
   c. Restoration of normal operations with minimum delay
4. This material was designed as a quick reference guide and appropriate procedures to follow during emergencies.
5. If you need additional information, or have any questions, please contact your director.

- Remain in Lockdown mode until the director or law enforcement orders an evacuation or calls out an all clear command
- If evacuated, take attendance and immediately report missing students
Emergency Actions
Evacuations, Lockdown & Shelter-In-Place

EVACUATION is implemented when conditions make it unsafe to remain in the building. This ACTION provides for the orderly movement of students and staff along prescribed routes from inside school buildings to a designated outside area of safety.

ANNOUNCEMENT:
1. Fire alarm (bell, horn signal, PA system, bullhorn, etc.).
2. Provided time is available, an announcement is made over the public address system

STAFF ACTIONS:
- Instruct students to leave the building in an orderly manner using the designated evacuation routes and reassemble in the assigned Evacuation Area.
- Take the emergency supplies and student roster when leaving the building
- Take attendance when the class is reassembled and report any missing students
- Remain in the evacuation area until further instructions are given

LOCKDOWN is used to prevent intruders from entering occupied areas of the building, or when it is necessary to isolate students and school staff from danger on the school grounds or from within a building.

ANNOUNCEMENT:
1. An announcement is made in person or over the public address system:

Example: “Attention please. We have an emergency situation and need to implement LOCKDOWN procedures. Teachers are to lock classroom doors and keep all students inside the classroom until further notice. Do not open the door until notified by an administrator or law enforcement.”
STAFF ACTIONS:

- Immediately lock doors and close any shades and/or blinds if it appears safe to do so.
- Instruct students to move away from the windows and to get down on the floor.
- Remain in the classroom or secured area until further instructions are provided by the director or law enforcement.

SHELTER-IN-PLACE is a short-term measure implemented when there is a need to isolate students and staff from the outdoor environment to prevent exposure to airborne contaminants. The procedures include closing and sealing doors, windows and vents; shutting down the classroom/building heating, ventilation and air conditioning systems to prevent exposure to the outside air.

ANNOUNCEMENT:

1. An announcement is made in person or over the public address system:

   Example: "Attention please. We have a hazard in the community and are instituting SHELTER-IN-PLACE procedures. Students and staff should remain inside with windows and doors securely closed and air conditioning units turned off. Those who are outside should immediately move to the protection of an inside room. Do not go outdoors until you receive further instructions."

STAFF ACTIONS:

- Immediately clear students from the halls.
- Keep all students in the classroom until further instructions are received. Assist those needing special assistance.
- Secure individual classrooms: a) close and lock doors and windows; b) shut down the classroom HVAC system; c) turn off local fans in the area; d) seal gaps under doors and windows with wet towels or duct tape; e) seal vents with aluminum foil or plastic wrap;
- Remain in the classroom or secured area and wait for further instructions from director or emergency responders.
